THE REWS PROM ITALY. denoted and exciting character. Upon the most which it relates hang perhaps the most important and decisive movements which the work, give some hings to the Committee these at work, give some hings to their operations where me the occupation of that city by the insurgation, will, so bitter in the hate of the people was the government, be the signal for the bing of Mesities. Tragent, Syracuse and the perface, and the consequent expulsion of pel forces from the Island. Undoubtedly, to next stammer will bring us word that Garrier and the seaso certification, or that the whole sidy is in a blaze of ancessful revolution pet the is not all. The destruction of the fascolian powering the island will be surely inleved by a revolt in Naples, which the proban and his prisests have not the means or will se put down. It seems avident, then, that the movement which was begun in Italy to the political regeneration and union of resphered by the thousands of brans alon who focked to his standard as soon as it was missing the rises above the status of the filli-latin, and becomes the deliverer of a nation. est the benefactor of mankind. They have he errotion to the popular cause can doub?

Were he as black as the devil is painted, he rould fee to profession to the months of the painted. self the wors that Europe has endured for the

sumry past, Long live Garibaldi! many at Large, (Uniterian) Chicago, who makes by the Board of Trade as their since or m the distribution of the fund raised for the relief of the sufferness by the tornada; the relief of the sufferness by the s and his sestimany so to the kinding, and hand puty of those in Iows who have escaped the man of the destroyer, will be very acceptable to the sestiman gentlemen by whom Mr. Coll-put was communicated.

An active shinning was commenced among the Dopplestees of Billincian justiced by morning to nake money for the payment of a bid made by Mr. H. E. Vogell at the Bellet Concert on Valenday evening, for Mr. Douglas picture. It. Vogell, the enterprising bidder, on February home founds that He had no each founds for district appropriated. I has this request his construction appropriated. I has this request his construction appropriated. I has this request his construction. Mer will of course look out for " Cash,"
